

# Installing the ADK

- Now we need to install the ADK 1903 and Windows PE on our SCCM server.

- Let's start by launching the **adksetup\_1903.exe** installer file.

- Click **Next** and then decide whether or not you want to send anonymous usage data to Microsoft then click **Next**

## Windows Kits Privacy

Windows 10 Kits collect and send anonymous usage data to Microsoft about how our customers use Microsoft programs and about some of the problems they encounter. Microsoft uses this information to improve the products and features. Participation in the program is voluntary, and the end results are software improvements to better meet the needs of our customers. No code or software produced by you will be collected.

[Tell me more about the Windows 10 program.](#)

Send anonymous usage data to Microsoft for the Windows 10 Kits?

- ☐ Yes  
☒ No

\* Participation applies to all Windows Kits installed on this computer.
